

# Gerald Levert, Second Time Around

[Intro]

She was saying all the right things  
She was like a fashion show  
From head to toe  
Something came over me  
Something I couldn't see  
I said that four letter word  
L-O-V-E

First time shoulda been the last time  
I shoulda stayed away  
Being in love wasn't my thing  
But uh oh, looks like another love TKO  
Bit off more than I can chew  
I done fell in love with you, yeah

[1]

Look what I done stuck my foot in  
Turned around, fell in love again  
Hope love don't let me down  
Second time around

Look what I done stuck my foot in  
Turned around, fell in love again  
Hope love don't let me down  
The second time around

Oh, hope love won't let me down, no, no  
(Second time around)  
Second time around, second time around oh, no, no

I don't mind calling your baby mine, yeah  
And I'll pay the bills  
You can spend your dough at will, yeah  
And it don't make sense  
Cuz you know I swore off the days, yeah

But you're a rare precious jewel  
And I don't mind playing the fool for you

[Repeat 1]

Hey look what I done look what I done  
(Second time around)  
Stuck my foot in, yeah  
Look what I done done

Baby I wasn't even chasin', I was being patient  
Me and my prostration, feet solid on the ground, yeah yeah  
Then you came around, came around came around  
Dealin' with the drama from my baby mama  
Tryin to keep my karma  
You were my only friend, I had to let you in  
Look what I done stuck my foot in

[Repeat 1]

I said I'd never love the sun no more  
Cuz the pain of breakin' up just make me so  
She'd never loved me quite the way you did  
God sent you to me and I'mma try it again

My friends think I'm crazy  
Don't want me to forget

That the first of every month  
I'm just writing out checks  
And checks and checks and checks  
I done fell in love baby

[Ad lib until fade]
