

Gerry Rafferty, Bajan Moon

We've got the tropical night time, we've got the starry sky
I know that this is the right time to wave the past goodbye
You and I together so right in tune
One more night of love, and one more Bajan Moon.

We've got the sound of the ocean, we've got the moonlit sea
We've got the sweetest emotion, as sweet as love can be
Got a new horizon, new day coming soon
One more night of love, and one more Bajan Moon.

She's got the kisses that linger, she's got the lovin' touch
Might put a ring on her finger, I want the girl so much
We will be together, so right in tune
One more night of love, one more Bajan Moon.

(fade...)

Bajan Moon, sweet moon
Bajan moon, sweet moon
Bajan moon, sweet moon
Bajan moon, sweet moon.
