

# Gerry Rafferty, Jos

Time to till the hay, listen my Jos  
Pick up your problems, get your day's work done  
Don't want to hear you talk to anyone.

You better get on your way, listen my Jos  
Take off your shirt, you gotta earn your pay  
Ain't gonna wear it out there anyway boy, d'ya hear? d'ya hear?

I know your life is in a mess  
You gotta get up, you can't afford to rest  
Can't you see my sign, I got have my final ???  
Gotta do your best.
