Gerry Rafferty, Stealin' Time

Stealin' time, I've been stealin' time
But I don't feel guilty, cause the time was mine
I kept down low, kept down low
I walked right out, I had to let it go.

Stealin' time, I've been stealin' time Forgot about everything and eased my mind Stealin' time, I was stealin' time But now I know it's time to cross that line.

I watched the sky, watched the sky Every day I let the world roll by Sun and rain, sun and the rain It felt so good to know that magic again.

Stealin' time, I've been stealin' time Forgot about everything and eased my mind Stealin' time, I was stealin' time But now I know it's time to cross that line.

Wait my love, wait my love We'll soon be brighter than the sun up above Wait and see, wait and see Forget about everything except you and me.

Stealin' time, I've been stealin' time Forgot about everything and eased my mind Stealin' time, I was stealin' time But now I know it's time to cross that line.

(fade)

Roll on, cross that line, been so long, stealin' time Roll on, cross that line, been so long, stealin' time.
