Gerry Rafferty, Waltz

We can make home when the dream comes true There's nothing that we couldn't do for you There's no use sitting on a fence When you know it all makes sense.

There's enough room for you, there's enough room for me And that's the way it's gonna be There's no use sitting on a fence When you know it all makes sense.

Well we know just how to get things done We'll make a better living for everyone If you let it all slip away You're gonna be sorry someday.

There's enough room for you, and there's enough room for me And that's the way it's gonna be There's no use sitting on a fence When you know it all makes sense.
