

Gesaffelstein & The Weeknd, Lost in the Fire

i wanna fuck you slow with the lights on
you're the only one i've got my sights on
type of sex you could never put a price on
i'll take it off
you're the one i'll roll the dice on

and i just want a baby with the right one
i just want a baby with the right one
cause i could never be the one to hide one
i could never be the one to hide one

and we lost a lot of things in the fire
so it took a year for me to find out
find out find out
i can't lost you, babe
i can't lost you, babe

i am tired of being home alone
i used to have a girl a day
i want you to stay
you said you might be into girls
you said you're going through a phase
keeping you heart safe
well, baby you can bring a friend
she can ride on top your face
while i fuck you straight

and we lost a lot of things in the fire
so it took a year for me to find out
find out find out
i can't lost you, babe
i can't lost you, babe

i am tired of being home alone
i used to have a girl a day
but i want you to stay

i can't lost you, babe
i can't lost you, babe
