

Get Set Go, Break Your Heart

I'm gonna break your heart
I'm gonna let you down
I'm gonna walk away
I'm gonna fool around
I'm gonna tell you lies
I'm gonna be untrue
I'm gonna make you cry
I'm gonna come unglued
so what you
what you
what you
what you
what you
what you gonna do?

You better runaway
you better run and hide
you better make your escape
you better runaway
you better runaway
you better run and hide
you better make your escape

I'm gonna break your heart
I'm gonna let you down
I'm gonna walk away
I'm gonna fool around
I'm gonna tell you lies
I'm gonna be untrue
I'm gonna make you cry
I'm gonna come unglued
so what you
what you
what you
what you
what you
what you gonna do?
so what you
what you
what you
what you
what you
what you gonna do?

You better runaway
you better run and hide
you better make your escape
you better runaway
you better runaway
you better run and hide
you better make your escape

do dodo do dodo do dodo
you better runaway
do dodo do dodo do dodo
you better runaway
do dodo do dodo do dodo
you better runaway
do dodo do dodo do dodo
you better runaway
you better runaway

I'm gonna break your heart
I'm gonna let you down

I'm gonna walk away
I'm gonna fool around.
