

Get Smart!, Just For The Moment

Eyes are lined with
Respectable lies
Floating backward
Til it cries

Function stops
In walks conflict
Function stops
In walks conflict
Function stops
In walks conflict

Lives are lined with
Forgettable ties
Forced emotion
Til it dies

Nothing's said
I'm forgotten (just for the moment)
Nothing's said
I'm forgotten (just for the moment)
Nothing's said
I'm forgotten (just for the moment)
Nothing's said
I'm forgotten (just for the moment)

Just for the moment
Just for the moment
Just for the moment
Just for the moment
