

Get Smart!, Knight

Sitting around
Thinking alone
I got rats and birds
On my side
You say, talk talk
Nothing to hide
There are lessons learned
Who's on my side?

Is it real for you?
Is she everything you need?
Do you sit at home and lie to yourself
Like I do?
Like I do

Laughter is measured
Time, no pleasure
Laughter is measured
Time, no pleasure
What do I want?
What do you need?
Do you bleed like I do
Like I do?
Like I do

Sitting around
Thinking alone
I got rats and birds
On my side
You say, talk talk
Nothing to hide
There are lessons learned
Who's on my side?

Who is she?
Is it real for you?
Is she everything you need?
Do you sit at home and lie to yourself
Like I do?
Like I do

Laughter is measured
Time, no pleasure
Laughter is measured
Time, no pleasure
Laughter is measured
Time, no pleasure
