

# Get Smart!, Numbers And Colours

7 1 8 2 and  
Yellow, red, green and blue  
7 1 8 2 and  
Yellow, red, green and blue

Numbers and colours a world to choose  
Numbers and colours defend to lose  
Numbers and colours a world to choose  
Numbers and colours defend to lose

Silver, gold steel and glass  
Pretend to be the number one class  
Silver, gold steel and glass  
Pretend to be the number one class

Numbers and colours a world to choose  
Numbers and colours defend to lose  
Numbers and colours a world to choose  
Numbers and colours defend to lose

Silver, gold steel and vaspre  
Tend to be the number one clasp  
Silver, gold steel and vaspre  
Tend to be the number one clasp

Numbers and colours stay to the end  
Numbers and colours count your blessings till then
