

Ghost B.C., Monstrance Clock

To the sound of the monstrance clock
Here is cleansed assembled flock
Black candles burn all night tonight

To the sound of the monstrance clock
Here is cleansed assembled flock
Black candles burn on my shrine

As the parish sizes smoke
And just lead you revealed of clock
To the haunting sound of the monstrance clock

Singing:

Come together, together as a one
Come together for Lucifer's son

To the sound of the end of day
Mesmerized the assemble sway
Black candles burn on my shrine

Hypnotizing lords of realm
Paralyzing pentagram
And the eerie sound of the monstrance clock

Singing:

Come together, together as a one
Come together for Lucifer's son
