

# Ghost Dance, I Will Wait

I close my eyes and I count to ten  
But when I wake up you're not there  
They say time heals well I wonder when  
I don't know if I'll ever learn

All I know is that I need you  
And I don't care how long it takes

I will wait  
I will wait

And if it takes twice as long again  
Well you know that it's alright  
I will wait till the bitter end  
If there's a chance you'll change your mind

And if it takes you forever  
Can't you see that I don't care

I will wait  
I will wait

Heaven knows that I still need you  
I don't care how long it takes

I will wait  
I will wait

Until the last of all my days  
And the stars no longer shine  
If you ask then I will wait  
Till the very end of time
