

# Ghost Dance, Nothing Without You

Ive seen it all before  
But now I know its true  
Theres nothing I can do  
Ive seen the faces falling  
If only they knew  
I did it all for you

I dont know why I need you like I do  
Id let you go but now I know theres no use

It all means nothing without you  
You know Im nothing without you

Maybe this was meant to be  
Maybe you were sent for me  
Im just a child whos lost her way  
Open you eyes before its too late

For heavens sake dont walk away from me  
What does it take for me to make you see

It all means nothing without you  
You know Im nothing without you  
It all means nothing without you  
You know Im nothing without you

I cant face the morning  
Day breaks way too soon  
Im nothing without you

For heavens sake dont walk away from me  
What does it take for me to make you see

It all means nothing without you  
You know Im nothing without you  
It all means nothing without you  
You know Im nothing without you
