Ghost Of The Robot, David Letterman

Chorus: Wouldn't it be nice
If I could be David Letterman?
Wouldn't it be rad
If I could be your favourite TV personality?
Wouldn't it be sweet
If I could laugh you to sleep five nights a week?

And I try as hard as I can, But I can never be David Letterman

I know he knows you look up to him, But you don't visit his sleep. I know, I know this is what I missed, Your eyes are just for me. Really can't see how we could be, I still put trust in fate. It's something slow that I don't know, So I say

Chorus
