

Ghoti Hook, Just What I Needed

I don't mind you comin' here
And wastin' all my darn time
'Cause when you're standin' oh so near
I kinda lose my mind

It's not the perfume that you wear
It's not the ribbons in your hair
And I don't mind you comin' here
And wastin' all my time

I don't mind you hanging out
And talkin' in your sleep
It doesn't matter where you've been
As long as it was deep, yeah
You always knew to wear it well
You look so fancy I can tell
I don't mind you hanging out
And talkin' in your sleep

You gave me just what I needed
I needed some room to feed
You gave me just what I needed
I needed some room to bleed
You gave me just what I needed
I needed some room to feed
You gave me just what I needed
I needed some room to bleed
