

Giant Drag, High Friends In Places

Move to the room
Down on the bed
These are the things she said
And make it good
And make me clean
These are the things I need

But I can't just want
Because it isn't enough for me

We'll understand
Talk in your sleep
Tell secrets that we keep
I'm calling you
Out of the crowd
Yeah mommy is so proud

But I can't just want
Because it isn't enough for me
And I can't just want
You know it isn't enough for me

Want isn't clean
And want isn't man enough for me
To make me believe
That want could ever fill my need
To be

And I can't just want
You know its never enough for me
And I can't just want
You know it isn't enough for me

Want isn't clean oh yeah yeah
Want isn't man enough for me
To make me believe oh oh yeah
That want could ever fill my need
Want isn't clean
And want isn't man enough for me
Just make me believe
Make me believe
Make me believe
