Gigi D'Agostino, Cold wind

I see a shadow over the windowlose in a momentI'm calling you...it seems so trueand when the windowlose in a momentI'm calling you...it seems so trueand when the windowlose in a momentI'm calling you...it seems so trueand when the windowlose in a momentI'm calling you...it seems so trueand when the windowlose in a momentI'm calling you...it seems so trueand when the windowlose in a momentI'm calling you...it seems so trueand when the windowlose in a momentI'm calling you...it seems you when the windowlose in a momentI'm calling you...it seems you when the windowlose in a momentI'm calling you...it seems you when the windowlose in a momentI'm calling you...it seems you when the windowlose in a momentI'm calling you...it you when the windowlose in a momentI'm calling you...it you when the windowlose in a momentI'm calling you...it you when the windowlose in a momentI'm calling you...it you when the windowlose in a momentI'm calling you...it you when the windowlose in a momentI'm calling you...it you when the windowlose in a momentI'm calling you...it you when the windowlose in a momentI'm calling you...it you when the windowlose in a momentI'm calling you...it you when the windowlose in a momentI'm calling you...it you when the windowlose in a momentI'm calling you...it you when the windowlose in a momentI'm calling you...it you when the windowlose in a momentI'm calling you...it you when the windowlose in a momentI'm calling you...it you when the windowlose in a momentI'm calling you...it you when the windowlose in a momentI'm calling you...it you when the windowlose in a momentI'm calling you...it you when the windowlose in a momentI'm calling you...it you when the windowlose in a momentI'm calling you when the windowlose in a momentI'm calling you when the windowlose in a moment
