

Gigi D'Agostino, Flying Freedom

Tonight, I'll hold your soft, soft hand
I'll hold your hand and take you to a wonderland
where we our dreams can fly freely
O our flying freedom
taking us away to its very own kingdom

Flying Freeeeedom

our dreams and fantasies will one day come
will one day come....
O Flying Freedom
take my love and I to our beloved kingdom

Now that I know
that my dream will never grow
I don't know what else to do
all I want is you
where is our flying freedom
where is our flying freedom????

(Note: This song's background music is used in the song I'll Fly With You
By Gigi D'Agostino, NOT the L'Amour Toujours version, But the New Version
