

Gigi D'Agostino, You Spin Me Round (Like A Record)

You spin me right round, baby
right round like a record, baby
Right round round round
You spin me right round, baby
Right round like a record, baby
Right round round round

Yeah I, I got to know your name
Well and I, could trace your private number baby
All I know is that to me
You look like you're lots of fun
Open up your lovin' arms
I want some

Well I...I set my sights on you
(and no one else will do)
And I, I've got to have my way now, baby

All I know is that to me
You look like you're havin' fun
Open up your lovin' arms
Watch out, here I come

You spin me right round, baby
right round like a record, baby
Right round round round
You spin me right round, baby
Right round like a record, baby
Right round round round

...
round like a record, baby Right round round round

just a little bit closer

I got be your friend

I, I got be your friend now, baby
And I would like to move in
Just a little bit closer

All I know is that to me
You look like you're lots of fun
Open up your lovin' arms
Watch out, here I come

You spin me right round, baby
right round like a record, baby
Right round round round
You spin me right round, baby
Right round like a record, baby
Right round round round
