

# Gigi D'Agostino, You Spin Me Round (Like A Record)

You spin me right round, baby  
right round like a record, baby  
Right round round round  
You spin me right round, baby  
Right round like a record, baby  
Right round round round

Yeah I, I got to know your name  
Well and I, could trace your private number baby  
All I know is that to me  
You look like you're lots of fun  
Open up your lovin' arms  
I want some

Well I...I set my sights on you  
(and no one else will do)  
And I, I've got to have my way now, baby

All I know is that to me  
You look like you're havin' fun  
Open up your lovin' arms  
Watch out, here I come

You spin me right round, baby  
right round like a record, baby  
Right round round round  
You spin me right round, baby  
Right round like a record, baby  
Right round round round

...  
round like a record, baby Right round round round

just a little bit closer

I got be your friend

I, I got be your friend now, baby  
And I would like to move in  
Just a little bit closer

All I know is that to me  
You look like you're lots of fun  
Open up your lovin' arms  
Watch out, here I come

You spin me right round, baby  
right round like a record, baby  
Right round round round

Right round like a record, baby
