

Gil, It's Your Love

Tell me about your day
What you've been thinking
'Cause I've been waiting outside your place
Waiting a long time now
I have been calling
Baby I just had to see your face
Please don't tell me I'm in your way
I want your love, I need your love
[chorus]
Never giving up now
All of my heart is in it
You can't walk away
Never giving up now
Taking it to the limit
Do you feel the same
Walking to your door,
Feel my heart is sinking
Give me a chance girl don't turn me down
I can be anything
All that you wanted
I'll be your king and you can wear my crown
You get stronger everytime
Don't you know, oh don't you know
[chorus]
Yes I do
You get stronger everytime
Don't you know, don't you know
Don't you know
You've been on my mind,
[chorus]
Never giving up, never giving up
[chorus]
