

Gil Scott-Heron & Jamie xx, I'll Take Care Of You

I know you've been hurt by someone else
I can tell by the way you carry yourself
But if you let me here's what i'll do:
I'll take care of you

I've loved and loved the same as you
so you see i know what you've been through
and if you let me here's what i'll do
I'll take care of you

You won't ever have to worry
You won't ever have to cry
for i'll be there beside you
to dry your weeping eyes

So, darling tell me
that you'll be true
there's no doubt in my mind
know i won't do
and just as sure as one and one is two
I know i'll take care of you
I'll take care of you
I'll take care of you
I'll take care of you
