

Gilbert And Sullivan, Three Little Maids From School

Three Little Maids From School Are We
Pert as a school school girl can be
filled to the brim with girlish glee
three little maids from school

Everything is a source of fun
Nobody's safe for we care for none
Life is a joke that's just begun
Three little maids from school

Three Little maids who all unwary
come from a lady's seminary
free from his genius tutelage
Three little maids from school
Three little maids from school!

One little maid is the bride yum yum
two little maids in attendance come
three little maids is the total sum
three little maids from school

from three little maids take one away
two little maids remain and they
don't have to wait very long they say
Three little maids from school
(chorus) Three little maids from school

(Chorus) Three Little maids who all unwary
come from a lady's seminary
free from his genius tutelage
Three little maids from school
Three little maids from school!
