

# Giles, Giles And Fripp, Newly-Weds

Newly-weds playing at husbands and wives  
Don't they know it's their lives they are gambling?  
They dive in the deep end of life with a weekend  
of nice "Just what I've always wanted"

But on the other hand she's got a ring  
Love conquers everything  
Giving and taking a living and making it work

He worries all day about fools at his door  
It's for sure there's no law against trying

But on the other hand she's got a ring  
Love conquers everything  
Giving and taking a living and making it work

Newly-weds playing at husbands and wives  
Don't they know it's their lives they are gambling?

==Single Version==

&lt;lyrics&gt;

Newly-weds playing at husbands and wives  
Don't they know it's their lives they are gambling?  
Bearing the brunt of their nuptial experiment  
Funny how everything's different

But on the other hand she's got a ring  
Love conquers everything  
Giving and taking a living and making it work

He worries all day about wolves at his door  
It's for sure there's no law against trying

But on the other hand she's got a ring  
Love conquers everything  
Giving and taking a living and making it work  
Off to work

Newly-weds playing at husbands and wives  
Don't they know it's their lives they are gambling?
