Lucille, please come back where you belong,
Lucille, please come back where you belong,
I ain't been good to you baby, please don't lead me along.

I woke up this mornin', Lucille was not in sight,
I asked my friends about her but all their lips was tight,
Lucille, please come back where you belong,
I ain't been good to you baby, but I be strong.

I woke up this mornin', Lucille was not in sight,
I asked my friends about her but all their lips was tight,
Lucille, please come back where you belong,
I ain't been good to you baby, but I be strong.

I woke up this mornin', Lucille was not in sight,
I asked my friends about her but all their lips was tight,
Lucille, please come back where you belong,
I ain't been good to you baby, but I be strong.

Lucille, won't you satisfy my heart,
Lucille, won't you satisfy my heart,
I played love with you baby,
But please don't tear us apart.

Lucille, please come back where you belong,
Lucille, please come back where you belong,
I ain't been good to you baby, but I leave you strong.
