

# Gillian Welch, I'm Not Afraid To Die

Nobody knows what waits ahead  
Beyond the earth and sky  
Lie-d Lie-d Lie  
I'm not afraid to die

And there the work of my own hand  
Be broken by and by  
Lie-d Lie-d Lie  
I'm not afraid to die

Sometimes it finds me fast asleep  
And wakes me where I lie  
Lie-d Lie-d Lie  
I'm not afraid to die

Forget my sins upon the wind  
My hobo soul will rise  
Lie-d Lie-d Lie  
I'm not afraid to die

Lie-d Lie-d Lie  
I'm not afraid to die
