

# Ginger Foutley, Camp Caprice Song

At Camp Caprice, price, price  
We don't say "mooses", we say "meece"  
And we feel proud, proud, proud  
So we sing our song aloud

And every morning, morning, morning  
As a new day's dawning, dawning  
We are proud, proud, proud  
So we sing our song aloud

We come in peace, peace, peace  
We're the girls of Camp Caprice  
We are proud, proud, proud  
So we sing our song aloud
