

# Ginuwine, Same Ol' G

[verse I]

the only time i drink a 40 is when i wanna drink a 40  
and usually when i wear a suit  
i leave with not one but two  
i'm not trying to hurt nobody  
you only live once they told me  
you can't be mad at me  
i can just be "G";

[chorus:]

even though i got my own c.d.  
maybe even on t.v.  
there ain't no changing me  
i can only be me me me  
even though i might be on t.v.  
cause i got my own c.d.  
all you will ever see  
same ol' "G";

[Verse II]

i used to be the main one clubbin  
but now i choose to stay at home  
most of my friends still thuggin  
this time the "G"'s full grown  
i'm thinking 'bout my future latley  
whatever that may be  
but now it's clear to me  
i can just be "G";

[chorus:]

[Timbaland:]

hello ya'll  
yeah this that Timbaland coming to ya one mo 'gain  
you see, people say that we're changing  
but really it's the people around us that are changing  
you see, we aint tryna hurt nobody  
people tryna hurt us  
but you know what  
i'ma keep being me  
that's all i can do in this life time (check it)

[Ginuwine:]

day after day  
i continue to be  
me oh me  
that's all i can be  
oooh day after day  
i continue to be me oh me  
(that)same ol' "G";

[chorus: till fade]
