

# Ginuwine, Stingy

[Intro:]

You know what, baby  
I need to tell you something  
And...it's something very important  
You know...  
I want you to take this time out and just listen  
And hold me close  
You hear me?  
Listen

Can I have you for a minute  
Don't get shy 'cuz my heart's in it (When I say)  
You got me strung out  
I don't know and I can't call it  
But whatever it is you've got it (Naw babe)  
Without a doubt, yeah  
Never been the one to cling  
And I don't like to be needed (But now)  
I guess that's all changed  
That's why I get mad at your folks  
'Cuz I don't want you to go (Naw babe)  
I want you to stay

[Chorus:]

You can say I'm trippin' but I'm stingy  
And I can't hide it  
Wanna keep you all to me  
I'm selfish, why try to fight it  
You're the only one, with the only love  
That's strong enough to claim me  
So please forgive me, I'm just stingy  
But how can you blame me

[Verse 2:]

(Listen) Baby, tell me how you do it  
'Cuz you got me so into it  
I'm gone, but I don't understand  
So amazing, captivating, elevating  
Any way you try to put it I wanna be your man  
So if you (if you wanna put me on)  
I don't mind it's alright, I'm for it  
I would so adore it  
Nothing turns me on more than being with you  
Baby, I'm not trippin'

[Chorus:]

You can say I'm trippin' but I'm stingy  
And I can't hide it  
Wanna keep you all to me  
I'm selfish, why try to fight it  
You're the only one, with the only love  
That's strong enough to claim me  
So please forgive me, I'm just stingy  
But how can you blame me

Do what you want  
Anything, anything  
I am all yours  
You can do no wrong  
Everything, everything  
I do because I'm so wide open

No joking, you got me right where you want me to be  
I just hope you feel the same

'Cuz I don't want nothing to change  
This is where I wanna be  
So if you wanna put me on  
I don't mind it's alright, I'm for it  
I would so adore it  
Nothing turns me on better than being with you  
Baby, I'm not trippin'

[Chorus 2x]  
You can say I'm trippin' but I'm stingy  
And I can't hide it  
Wanna keep you all to me  
I'm selfish, why try to fight it  
You're the only one, with the only love  
That's strong enough to claim me  
So please forgive me, I'm just stingy  
But how can you blame me
