

# Ginuwine, Take A Chance

[Ginuwine Talking]

Yo, what's up sweetheart? How you doing? Look, I know your man ain't been treating you right. But you to give me a chance and I can make it better. You know what I mean? Listen...

[Verse 1]

You keep telling me how your man just ain't been treating you right. Baby I can see the emotions that you're always trying to hide. (All you did is fuss and fight.) Everynight. And I'll tell you he's no good for you. But girl I wanna do all the things to you that your man won't do. Cuz I know just what you're

[Chorus]

I know what your saying. I know what your looking for in love. I wont play no games. Be your every So take a chance on us baby. I will take your breath away baby. Everytime that we make love. baby see that I will set you free. So take a chance on us it could lead to love.

[Ginuwine Talking]

Look ma. All I wanna do is just be withchu. Can that happen?

[Verse 2]

Girl I know that he hasn't been the man to show you true love. So lets forget about the past and let start to be the man that you've been dreaming of. I dont wanna fuss. I dont wanna fight. Let me show that I can make it right. So take a chance on us. Cuz it could be true love. Put it on everything. Everything I love...

[Repeat Chorus]

[Bridge]

Girl I'll love you more. More than you've ever dreamed of. More kissing, more hugging, more love, more quality time. Boy, you and I. Girl won't you take a chance on us.

[Repeat Chorus]

Said I know what youre saying. Said I know what youre looking for. Cuz I love you girl, and I need you girl. Believe me girl.

[Repeat Chorus til fades out]
