## Girl Next Door, Girl Next Door

Small town homecoming queen She's a star in this scene There's no way to deny she's lovely Perfect skin, perfect hair Perfumed hearts everywhere Tell myself that inside she's ugly

Maybe I'm just jealous-I can't help but hate her Secretly I wonder if my boyfriend wants to date her

She is the prom queen, I'm in the marching band She is a cheerleader, I'm sitting in the stands She gets the top bunk, I'm sleeping on the floor She's Miss America And I'm just the girl next door

Senior class president
She must be heaven sent
She was never the last one standing
A backseat debutante
Everything that you want
Never too harsh or too demanding

Maybe I'll admit it, I'm a little bitter Everybody loves her, but I just wanna hit her

## Chorus

I don't know why I'm feeling sorry for myself Spend all my time wishing that I was someone else

Chorus I get a little bit, she gets a little more She's Miss America And I'm just the girl next door
