

# Girlicious, Still In Love

Thinkin' about you and me  
I don't know what to do  
About us baby I'm missin' you like  
Ice on my finger  
Snow in the winter  
Ain't got nothin' to do but  
Cry cry on my pillow

Now I already kissed on bobby  
I already checked on trent  
I'm already done with tommy  
And I'm already thru with brent  
Now I wonder where you went  
Baby I gotta tell you that I'm still in  
Still in love

I'm still in love  
I'm tellin' you straight up  
Still in love  
I can't believe we could break up  
Still in love  
Can we get can we get back to it  
Can we get can we get back  
Cause I'm still in love  
Still in love with you

Thinkin' bout your kiss - so long  
But the problem is  
Your lips are long gone  
Baby can we forget about this messin  
Let's think about the present  
Tired of you stressin  
I just want you to be my baby  
Once again  
I already thought about brian  
And i already seen bout james  
And i know you heard about me tryin'  
To rekindle my old flames  
And every time I think I can  
I hear something about you  
And I'm like damn damn damn

Cause I'm still in love  
I'm tellin' you straight up  
Still in love  
Can't believe we could break up  
Still in love  
Can we get can we get back to it  
Can we get can we get back  
Cause I'm still in love  
Still in love with you

Sean Kingston rap

I'm trying I'm trying  
But I'm lying I'm lying cause I'm  
Crying I'm cryin I'm dying  
Without you there's nobody nobody nobody  
That moves me like you do

I'm still in love  
I'm tellin' you straight up  
Still in love  
I can't believe we could break up

I'm still in love  
Can we get can we get back to it  
Can we get can we get back  
Cause I'm still in love  
Still in love with you
