

# Girls Against Boys, Basstation

I won't listen to reason  
Yeah, I won't listen to you  
I won't listen to reason  
'Cause I know what to do  
Yeah, I won't listen to you

There's a new way to be (let's get higher)  
There's a new way to be (take me higher)

'Cause in the context of no context  
Everywhere cool, there's nothing new  
Yeah, in the context of you  
Everywhere cool, there's nothing new  
Yeah, in the context of no context  
Everywhere cool, there's nothing new  
Like in the context of you

I won't listen to reason  
Yeah, I won't listen to you  
You're five ways to nothing  
Five ways to nothing new  
And I won't listen to you

A new way to breathe (let's get higher)  
There's a new way to be (take me higher)

Yeah, in the context of no context  
Everywhere cool, there's nothing new  
Yeah, in the context of you  
Everywhere cool, there's nothing new  
Yeah, in the context of no context  
Everywhere cool, there's nothing new  
Yeah, in the context of you  
You  
Of you
