

# Girls Aloud, Call The Shots

Static tone on the phone, are we breaking again?  
Must be something better, babe  
All the names that you called out in bed seem to fade  
To sometime never but

I won't cry for all the hunger in my heart, no  
I won't cry because I've made it through this far

"Just 'cause you're raising the bet and call the shots now for me, ooh  
It really doesn't faze me how you spend your time, ooh  
Just 'cause you're raising the bet and call the shots now on me, ooh  
It really doesn't faze me how you spend your time, ooh"

Out of the fire that burns inside me  
A phoenix is rising  
If you don't feel that you can love me  
I won't shoot you down

And I won't cry for all the hunger in my heart, no  
No, I won't cry because I've stumbled through this far

"Just 'cause you're raising the bet and call the shots now for me, ooh  
It really doesn't faze me how you spend your time, ooh  
Just 'cause you're raising the bet and call the shots now on me, ooh  
It really doesn't faze me how you spend your time, ooh"

I've seen life burn bright, seen it shimmer  
Then fade like starlight to a glimmer, oh no  
I've seen life flow by, like a river  
So full of twilight, dreams that glitter

"Just 'cause you're raising the bet and call the shots now for me, ooh  
It really doesn't faze me how you spend your time, ooh  
Just 'cause you're raising the bet and call the shots now on me, ooh  
It really doesn't faze me how you spend your time, ooh"

"Just 'cause you're raising the bet and call the shots now for me, ooh  
It really doesn't faze me how you spend your time, ooh  
Just 'cause you're raising the bet and call the shots now..." (fade out)
