

# Girls Aloud, Forever And A Night

I, I never thought I'd be  
Lost inside your eyes  
Living out this fantasy  
But now, with every breath we take  
All I think about  
Is the love we're gonna make

I want you  
Boy, forever and a night  
(Forever and a night)  
For all of my life  
(All of my life)  
I just wanna hold you tight  
From now on (for)  
Until the morning light  
(Until the morning light)  
All I wanna do  
Is be with you baby  
Forever and a night

(I, I, Until the morning light  
Gonna love you  
Forever and a night)

In a world that moves so fast  
It's so hard to find  
Something that you know will last  
But  
When you touch me there's no doubt  
That you and I possess  
The one thing that it's all about

I want you  
Boy, forever and a night  
(Forever and a night)  
For all of my life  
(All of my life)  
I just wanna hold you tight  
From now on (for)  
Until the morning light  
(Until the morning light)  
All I wanna do  
Is be with you baby  
Forever and a night

Oooh

But now, with every breath we take  
All I think about  
Is the love we're gonna make

I want you  
Boy, forever and a night  
(Forever and a night)  
For all of my life  
(All of my life)  
I just wanna hold you tight  
From now on (for)  
Until the morning light  
(Until the morning light)  
All I wanna do  
Is be with you baby  
Forever and a night

I want you  
Boy, forever and a night  
(Forever and a night)  
For all of my life  
(All of my life)  
I just wanna hold you tight  
From now on (for)  
Until the morning light  
(Until the morning light)  
All I wanna do  
Is be with you baby  
Forever and a night
