Girls Aloud, Sound Of The Underground

Disco dancing with the lights down low Beats are pumping on the stereo Neighbours banging on the bathroom wall Your sayin' crank the bass I gotta get some more

Waters runnin' in the wrong direction Got a feelin' its a mixed up sign I can see it in my own reflection Summit funnies goin' on inside my mind Don't know what its pushin' me higher Its the static from the floor below Then its drops and catches like a fire Its a sound I, Its a sound I know

It's the sound of the underground The beat of the drum goes round and round In to the overflow Where the girls get down to the sound of the radio Out to the electric night Where the bass line jumps in the backstreet lights The beat goes around and round Its the sound of the under Sound of the underground

Chain reaction running through my veins Pumps the bass line up into my brain Screws my mind until I lose control And when the building rocks I know Its got my soul

Waters runnin' in the wrong direction Got a feelin' its a mixed up sign I can see it in my own reflection Summit funnies goin' on inside my mind Don't know what its pushin' me higher Its the static from the floor below Then its drops and catches like a fire Its a sound I, Its a sound I know

It's the sound of the underground The beat of the drum goes round and round In to the overflow Where the girls get down to the sound of the radio Out to the electric night Where the bass line jumps in the backstreet lights The beat goes around and round Its the sound of the under Sound of the underground

I don't know what it's pushin' me higher It's the static from the floor below And then it drops and catches like fire Its a sound I, Its a sound I Its a sound I, Its a sound I know
