

Girlysound, In Love With Yourself

He came over my house
Didn't even knock he just walked inside
And when I didn't want to talk
He said oh god what a lot of bullshit

Don't be so in love with yourself (x 3)
Cause I'm not
Don't you know I'm not

And I said you've got a lot of nerve
Coming here after all the times that
You tried to pull the wool over my eyes
and my ears and nose and mouth and

Don't be so in love with yourself (x 3)
Cause I'm not
Don't you know I'm not

And he said you've got a lot of nerve
Painting me like I'm the villain
What about all of those words
Like he's just a friend
Oh god what a lot of bullshit

Don't be so in love with yourself (x 3)
Cause I'm not
Don't you know I'm not

And I said you've got a lot of nerve
After all it wasn't me who left and
Now you're sleeping with that girl
That you used to say that you have always hated

Don't be so in love with yourself (x 3)
Cause I'm not
Don't you know I'm not

And we took off all of our clothes
Had a lot of sex and then fell asleep
And
I held him close and I whispered in his ears

Don't be so in love with yourself (x 3)
Cause I'm not
Don't you know I'm not
And he said I know
Don't you think I know
