

Giuffria, Call To The Heart

Can I ever live without you girl?
Get back on my feet again.
Now I'm lost in your world.
And there's no simple way to let you go,
When you've been such a part of me.
And though you choose to walk a separate road.
I still believe in you.
So I call to your heart, hear me calling to you.
Oh, I call to your heart, I'm calling to you.
Distant voices in the silent night, call to a memory.
Someone touched me but it don't feel right.
It's only you I need.
When I call to your heart.
Can you hear all the times.
When I call to your heart.
Calling to you, Calling to you.

Call to your heart.
Your love I lost along the way,
But darling, I'll find you someday
Darlin', you remember the dreams that we had.
I'd give everything, my world, to hold you again.
And darlin', together, we can make it work out.
So stay with me baby, I need you now.
I call to your heart, hear me calling to you.
Hear me call to your heart, hear me calling to you.
Calling to you.
I'll call to your heart, call to your heart.
Hear me calling to you, to your heart.
