

# Glassesboys, Open Up (feat. Angie Brown)

I now just what you want  
The same as everyone  
Don't want no compromising  
'Coz I'm, I'm, I'm only dancing  
I know what your about  
I'm gonna show you how  
To fantasize me  
No no no compromising  
Give me all the love  
Hear me calling  
I will open up  
I will open up  
All the love  
Hear me calling  
I will open up  
Won't you come on in  
All the love  
Hear me calling  
I will open up  
I will open up  
All the love  
Hear me calling  
I will open up  
I will open up...  
Can you see it now  
You know I got the power  
It's hypnotizing  
I'm, I'm, I'm only dancing  
Tell me do you like the sound  
I'm gonna take it down  
I specialize in  
No no no compromising
