

Glassesboys, Your Love (feat. Stephen Pickup)

I'm trapped
I'm lasted in your love
Can't look back
Can't get a run
I'm trapped
I'm lasted in your love
Can't look back
Can't get a run

I'm trapped
I'm lasted in your love
From a moment I meet you
Can't look back
Can't get a run
I know when felt you

You the one for me /5x
