

Glasvegas, Polmont on My Mind

Fate fatal fate

An act of hate that greets my fall from grace

I'm seeing things in a different light

These days I've Mr. Moonlight who shines through my cell at night

Mr. Moonlight I've Polmont on my mind

Fate fatal fate

An act of hate that greets my fall from grace

I'm seeing things in a different light

These days I've Mr. Moonlight who shines through my cell at night

Mr. Moonlight I've Polmont on my mind

Mr. Moonlight

I've Polmont on my

I've Polmont on my

I've Polmont on my

I've Polmont on my mind

I've Polmont on my mind

I've Polmont on my mind

I've Polmont on my mind
