

# Glax, Happiness

Yoru no shijima ni fukaku umoresou na futari ni  
Samete miru yume wa osanasugite  
Omoi nimotsu wo hikizuru you ni tadoritsuita  
Hiekitta heya to hieta karada  
Dare ni mo mienai futashika na mirai e to  
Douki wa fujun demo tagai ni kokoro yurushiaeta  
Okubyou na senaka oshite kureta  
Soshite hajimete futari himitsu wo wakachiatta toki  
Aisuru sabishisa ga maiorite  
Donna kotoba wo ieba ii no?  
Don't wanna hurt you anymore tell me  
The meaning of your happiness  
Anata ga ikite yuku koto no  
Kotae ni nari wa shinai darou ka...  
Don't wanna hurt you anymore tell me  
The meaning of your happiness  
Uchiakerarenai kokoro ni toki wa tada nagarete  
Inori wa sora ni mukai kokoro no aru ga mama ni  
Tasogare no machi de umare sodatsu  
Atarashii inochi no sono te ga tsukamu mono  
Don't wanna hurt you anymore  
Don't wanna hurt you anymore tell me  
The meaning of your happiness  
Anata ga ikite yuku koto no  
Kotae ni nari wa shinai darou ka...  
Don't wanna hurt you anymore tell me  
The meaning of your happiness  
Uchiakerarenai kokoro ni toki wa tada nagarete  
Toki toshite tohou ni kureru hitogomi de hitorikiri  
Arasoi no koe ni mimi wo fusaide wa namida wo koboshita  
Ubawareru bakari no hibi no kurashi demo chikara zuyoku  
Kono yo de yuiitsu muni no anata e to  
Sasageru yo hapinesu  
Ai shiteru...ai shiteru
