

Glen Campbell, Break My Mind

Baby oh baby tell the man at the ticket stand that you've changed your mind
Let me run outside and tell the cab to keep his meter flyin'
Cause if you say goodbye to me babe you're gonna break my mind
Break my mind break my mind
No I just can't stand to hear them big jet engines whine
Break my mind break my mind oh Lord
If you leave you're gonna leave a babblin' fool behind

Oh baby oh baby let me keep your suitcase off of the scales in time
Tell the man that you've suddenly developed a thing about flyin'
Cause if you say goodbye to me girl you're gonna break my mind
Break my mind break my mind...
Break my mind break my mind...
Baby break my mind break my mind...
