

Glen Campbell, Hold On Hope - feat. Eric Church

Every street is dark
And folding out mysteriously
Where lies the chance
We take to be always working
Reaching out for a hand
That we can't see
Everybody's got a hold on hope
It's the last thing that's holding me

Invitation to the last dance
Then it's time to leave
That's the price we pay
When we deceive
One another animal mother
She opens up for free
Everybody's got a hold on hope
It's the last thing that's holding me

Look at the talkbox
In mute frustration
At the station
There rides the cowboy

Look at the talkbox
In mute frustration
At the station
There rides the cowboy
Campfire flickering
On the landscape
That nothing grows on
Time still goes on
Through each life of misery

Everybody's got a hold on hope
It's the last thing that's holding me
Everybody's got a hold on hope
It's the last thing that's holding me
Everybody's got a hold on hope
It's the last thing that's holding me
