

Glen Campbell, Mansion On The Hill

Tonight down here in the valley I'm lonesome and oh how I feel
As I sit here alone in my cabin I can see your mansion on the hill
Do you recall when we parted the story to me you revealed
Oh you said you could live without love dear in your loveless mansion on the hill
I've waited all through the years love just to give you a heart true and real
And I know you're alone with your pride dear in your loveless mansion on the hill
