

Glen Campbell, World I Used To Know

Some day in some old familiar rain will come along and know my name
And then my shelter will be gone and I'll have to move along
But till I do I'll stay awhile and track the hidden country of your smile
Some day the man I used to be will come along and call on me
And then because I'm just a man you'll find my feet are made of sand
But till that time I'll tell you lies and chart the hidden boundrys of your eyes
Some day the world I used to know will come along and lead me go
Then I'll be leaving you behind for love is just a state of mind
But till that day I'll be your man and love away your troubles if I can
And till that day I'll be your man and love away your troubles if I can
