

Glen Campbell, You're My World

You're my world you're every breath I take you're my world you're every move I make
Other eyes see star up in the skies but for me they shine within your eyes
As the trees reach for the sun above so my arms reach out to you for love
With your hand resting in mine I feel a power so divine
You're my world you are my night and day
You're my world you're every breath I breathe
If our love ceased to be then it's the end of my world for me
[strings]
With your hand resting in mine...
