

Glenn Frey, Lover's Moon

There's a lover's moon tonight
As I look back over my shoulder
All the stars are shining bright
Just like the nights when I used to hold her
She's out there somewhere under the lover's moon

Lover's moon won't you shine on me
I'm dancing with a memory
Wish I may, I wish I might
Have one last chance to hold her tight

CHORUS:

And she's waiting, I know she's waiting
I know she waits for me
Under the lover's moon

There's a lover's moon tonight
Shining down on half of this world
So many souls are in its light
But for me there is just one girl

REPEAT CHORUS
