

# Glenn Frey, New Kid In Town

There's talk on the street; it sounds so familiar  
Great expectations, everybody's watching you  
People you meet, they all seem to know you  
Even your old friends treat you like you're something new

Johnny come lately, the new kid in town  
Everybody loves you, so don't let them down

You look in her eyes; the music begins to play  
Hopeless romantics, here we go again  
But after awhile, you're lookin' the other way  
It's those restless hearts that never mend

Johnny come lately, the new kid in town  
Will she still love you when you're not around?  
There's so many things you should have told her,  
but night after night you're willing to hold her,  
Just hold her, tears on your shoulder

There's talk on the street, it's there to  
Remind you, that it doesn't really matter  
which side you're on.  
You're walking away and they're talking behind you  
They will never forget you 'til somebody new comes along  
Where you been lately? There's a new kid in town  
Everybody loves him, don't they?  
Now he's holding her, and you're still around  
Oh, my, my  
There's a new kid in town  
Ooh, hoo  
Everybody's talking 'bout the new kid in town  
Ooh, hoo  
Everybody's walking' like the new kid in town  
There's a new kid in town  
There's a new kid in town  
I don't want to hear it  
There's a new kid in town  
I don't want to hear it  
There's a new kid in town  
There's a new kid in town  
There's a new kid in town
