

Glenn Hughes, Midnight Meditated

I'm out on the town, down on the boulevard
Wash my face with the tears
Why do I cry so hard?

And I come 2 my senses
Now I'm gonna face reality
Gonna tear down the fences
So good for my sanity

And I don't give a damn, what you're thinkin'!
And I don't really care, this ship ain't sinkin'
'cause I got a new thing
From the solar system
I'm outta my head

I am created
I am midnight meditated
I am elated
I am midnight meditated

Don't get no sleep

And I don't want 2 socialize
My mind, it runs deep
And I sure like 2 fantasize
'cause I've been received
And I know a simple way

And I don't give a damn, what you're thinkin'!
And I don't really care, this ship ain't sinkin'
'cause I got a new thing
From the solar system
I'm outta my head

I am created
I am midnight meditated
I am elated
I am midnight meditated

I am created
I am midnight meditated
I am elated
I am midnight meditated
